

Medical Diagnostic Form for Athletes with Visual Impairments

To be eligible for World Karate Federation an athlete must have an underlying medical diagnosis (Health Condition) that results in a permanent and eligible impairment. The measurement of impairment conducted during the classification process must correspond to the diagnosis indicated below.

It must be completed by a registered Medical Doctor, M.D.

The World Karate Federation holds the right to request further information, if additional information is required. The athlete will not be able to undergo classification, until the requested information is provided.
