Olympic Solidarity - Continental Programmes

The continental programmes provide the NOCs with access to technical, financial and administrative assistance responding to their specific needs and priorities, by continent. These programmes are in addition to those available on a world level, and are managed by the Olympic Solidarity office of each continental association.

The five NOC continental associations below will offer continental programmes specific to each of their constituent NOCs during the 2017-2020 quadrennial plan:

- AFRICA: ANOCA (Association of National Olympic Committees of Africa)
- AMERICA: PASO (Pan American Sports Organisation)
- ASIA: OCA (Olympic Council of Asia)
- EUROPE: EOC (European Olympic Committees)
- OCEANIA: ONOC (Oceania National Olympic Committees)

For further information about the Continental Programmes we kindly ask you to contact with your corresponding OS continental office so that they can provide you with the appropriate documentation and information about the procedure.
